MOEN®
WATER TRANSFORMS
THE FLOW OF LIFE

MOEN

Every day, water pulls on us in unexpected ways, helping to guide us intuitively toward our most genuine self again and again. Murmuring fountains wash away life's background noise, the rise and fall of the tide bring renewal and harmony, and one rewarding sip can refresh the body to its core. That is the true artistry of Moen's innovations. They connect us with the essential nature of life's most treasured element. From elevated design to industry-leading technology, at Moen we believe in enhancing your ability to instinctively sense the connection through it all.

So pause, take a breath and reflect on how water transforms the flow of life.

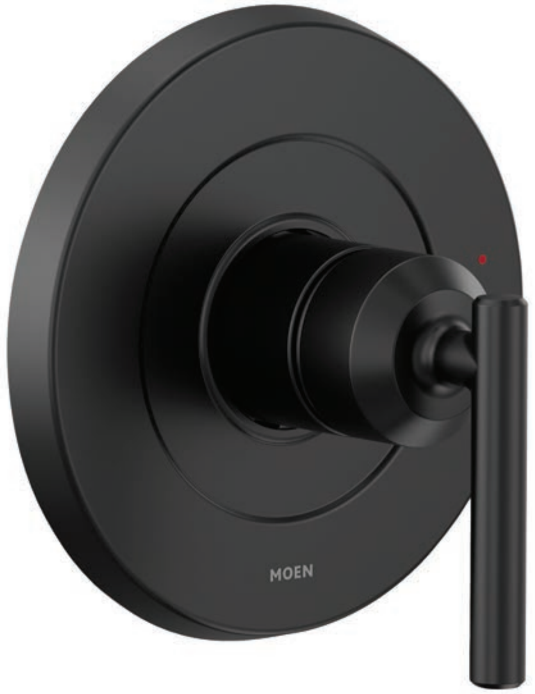
A touchless experience in the bath.

Innovation meets elegance in the Cia™ bathroom faucet with MotionSense Wave™ touchless technology. Combining a streamlined style with hands-free convenience, Cia's single-sensor touchless activation allows users to turn water on and off with the simple pass of a hand. Experience the best of modern style and technology in one strikingly stunning faucet.

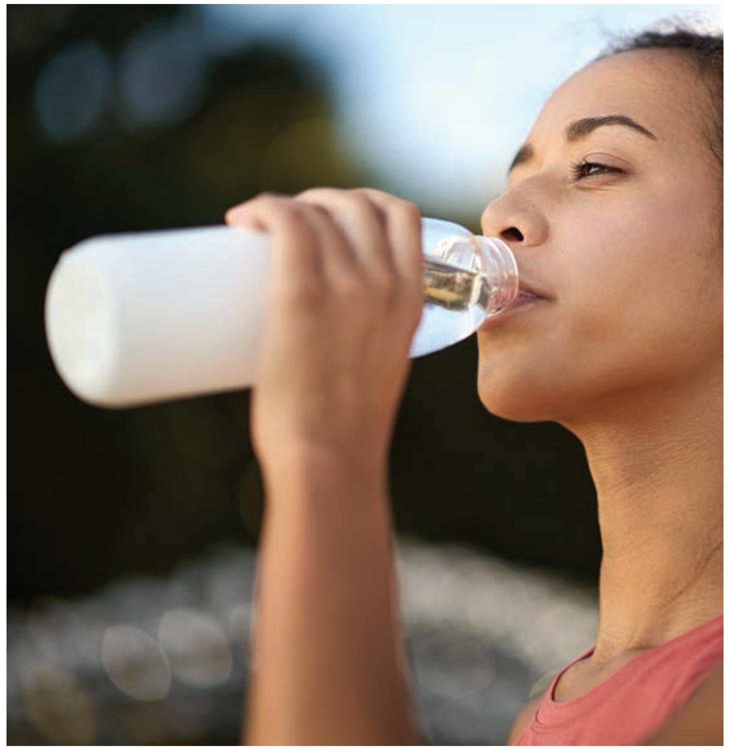
Cia™ One-Handle Bathroom Faucet with MotionSense Wave™
(This page) Brushed Gold | 6221EWBG (Opposite) Matte Black | 6221EWBL

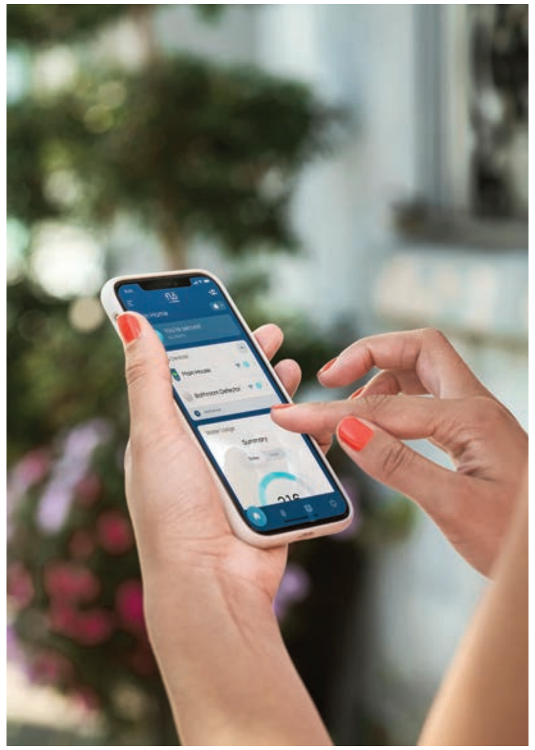


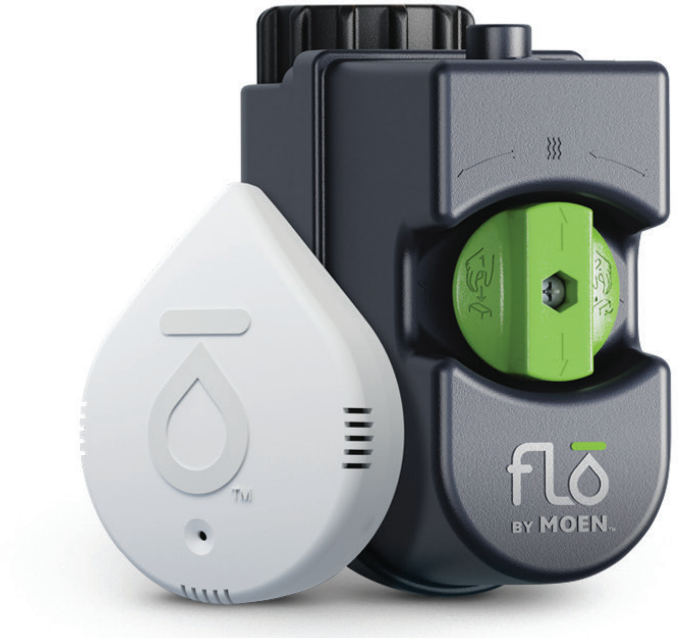
One shower, endless possibilities.

A universal valve for a universally exceptional shower experience. The M-CORE™ universal valve system means more freedom when selecting showering functionality and style options for new construction or remodel projects. With the freedom to choose or change the trim or valve functionality after the valve has been installed, the simplified installation means time and money savings for pros, and a perfectly designed shower for homeowners.

Gibson™ 2-Series Valve Only Trim in Matte Black | UT2901BL



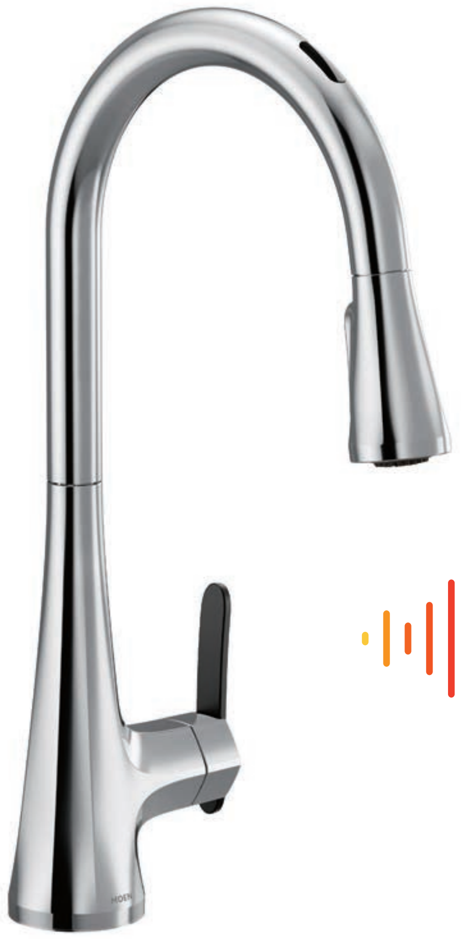


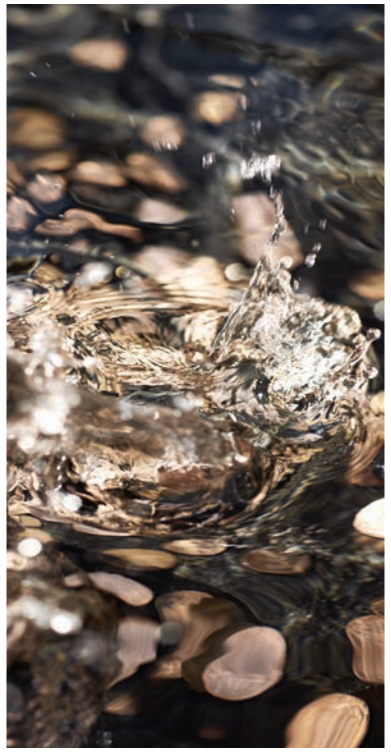


A smart system for whole-home water security.

Take control over your home's water with Flo by Moen™. This suite of smart water management and leak detection products provides homeowners with an innovative, smartphone-controlled security system against water damage and loss that can be controlled from just about anywhere at any time. Monitor water inside the plumbing system with the Smart Water Shutoff, then prevent water damage from environmental factors or fixture malfunctions with the Smart Water Detectors. Accessories like a battery backup, leak sensing extension cable and more, offer protection against the unexpected.

Flo by Moen™ Smart Water Detector | 920-004
Flo by Moen™ Smart Water Shutoff | 900-001

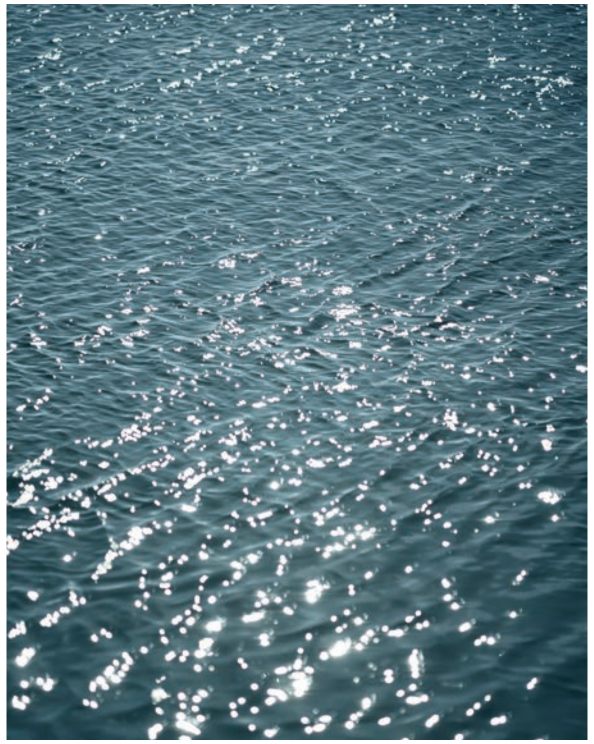


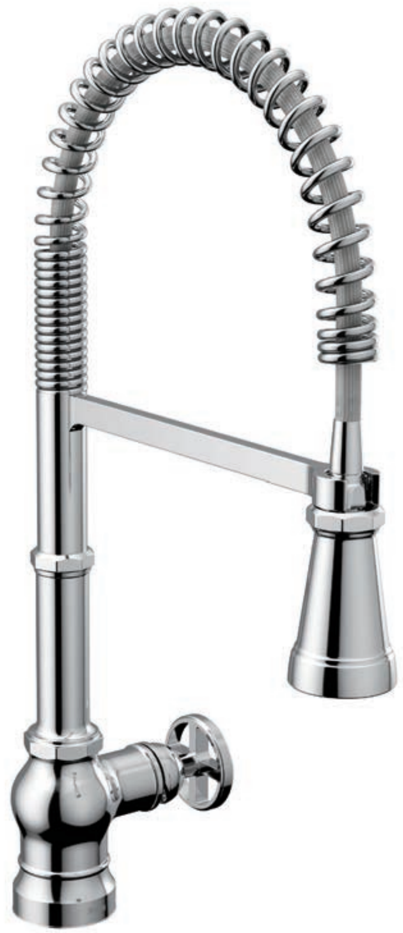


“Ask Moen to fill my pitcher.”

Connect with your water in a new way with the U by Moen™ Smart Faucet. Compatible with Amazon Alexa and Google Assistant, U by Moen provides a touchless experience perfectly personalized to you. Whether you want to use your voice, the hands-free wave sensor, smartphone app or traditional handle to start the water flow, U by Moen will accurately dispense water at your desired temperature and volume, or personalize your preferences with presets for tasks you do all the time. Everyday tasks just got a whole lot easier.

Sinema™ U by Moen™ Smart Faucet in Chrome, featuring Matte Black accent handle | S7235EVC

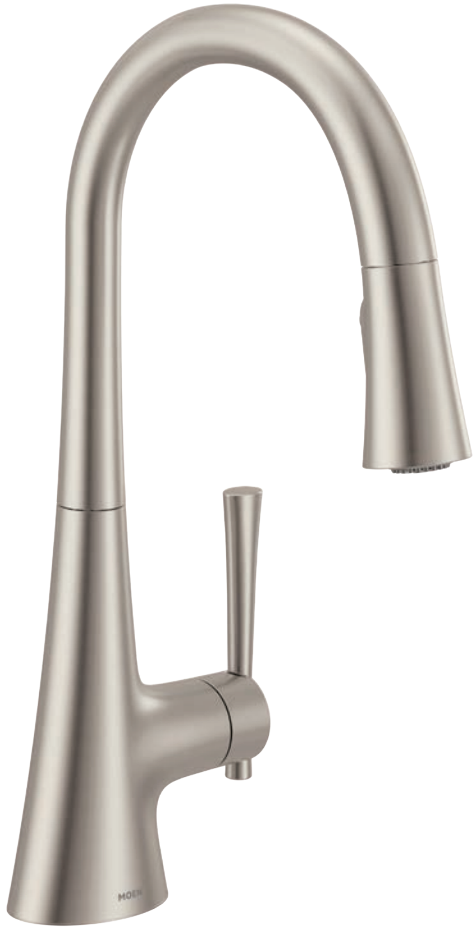




Spring into style.

Industrial-inspired designs for today's modern homeowner. With a stylized, impactful silhouette and a flexible spring coil, Moen's selection of spring faucets are as aesthetically pleasing as they are practical, offering the look of a commercial kitchen with the performance required for daily life. Home chefs become masters of the kitchen with pulldown functionality that retracts with ease and a multi-function spray wand that's easy to maneuver. A vast variety of thoughtfully designed styles and finishes offer a look to suit any design preference.

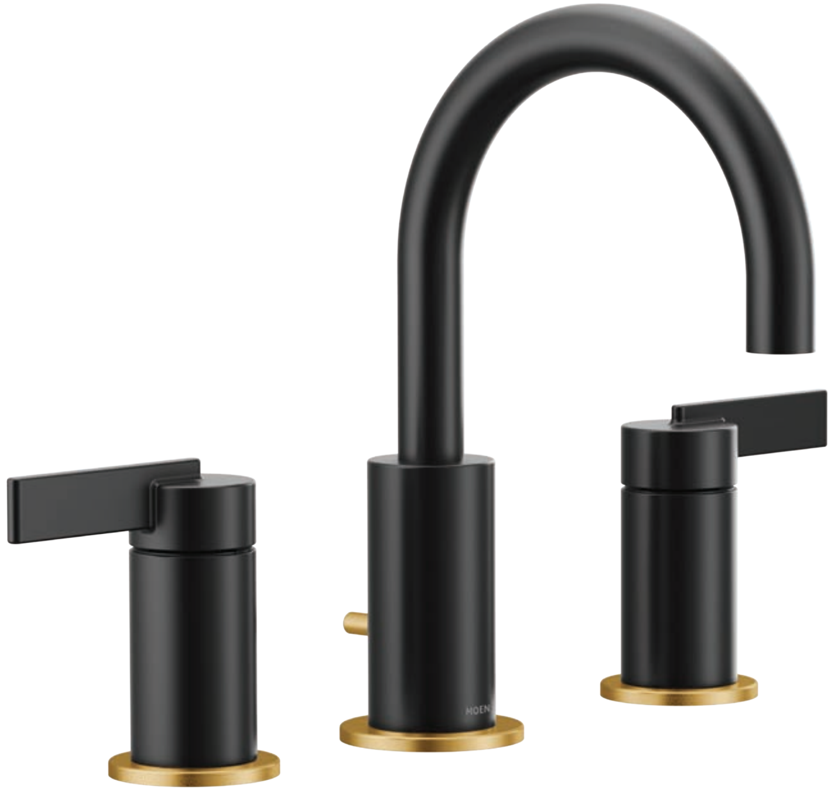
Paterson™ Pre-Rinse Pulldown Kitchen Faucet in Chrome, with optional wheel handle | S72103



KURV™ Pulldown Kitchen Faucet in Spot Resist™ Stainless | 9126SRS

Luxe design inspired by nature.

Fluid curves and sleek lines pair with high-style finishes to make the KURV™kitchen collection. The dramatic receptor compliments a tapered handle and flared wand for an organic, natural elegance. With pulldown functionality, and available models featuring voice-activated touchless technology, KURV is the true accompaniment of form and function.



Distinctive details for contemporary designs.

The Cia™ bathroom faucet artfully pairs both cylindrical and rectangular elements with a thin, high-arc spout for an elegant and refined feel. The Matte Black finish combined with optional Brushed Gold escutcheon creates a mixed-metals look that is on-trend, but never trendy, for a contemporary design that stands the test of time.

Cia™ Widespread Faucet in Matte Black, featuring optional Brushed Gold accents | T6222BL

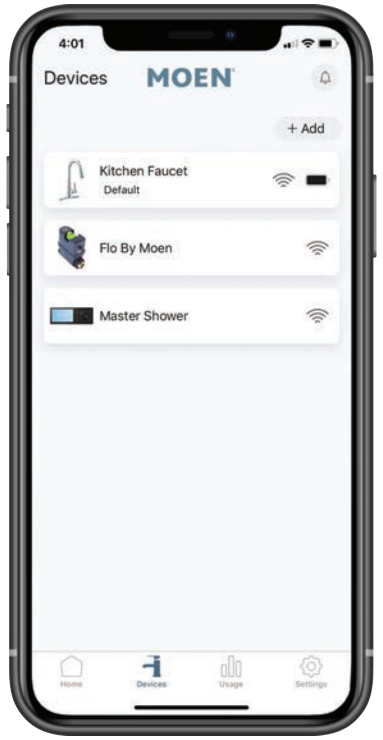
Moen® Smart Products use smart technology to help simplify everyday tasks in the kitchen and bath and to enhance home protection.

Take Control of Your Home

We're at the dawn of a new age in which we have more control over where, when and how we experience water in our homes each day. We are refining our industry with products that not only look beautiful, but respond more intuitively, are more personalized and enhance every interaction with water.



U BY MOEN
SMART FAUCET

A touchless voice-activated kitchen assistant to simplify everyday tasks at the sink.

flō BY MOEN
SMART WATER SHUTOFF

Remote water shutoff from your phone to protect your home, even when you're not there.

U BY MOEN
SMART SHOWER

Personalize your shower experience and control it remotely with the latest in smart home technology.

flō BY MOEN
SMART WATER DETECTOR

Identify leaks or water issues to prevent damage and protect your home.

U by Moen™
Touchless Smart Kitchen Faucets

This line of smart kitchen faucets provides the extra set of hands everyone needs in the kitchen. Offering useful benefits – like precise measurements, exact temperature and unlimited personalized presets – and voice-activation technology, you can use new ways to activate your faucet to simplify everyday tasks at the sink.

See pages 30-31 for specific product details.

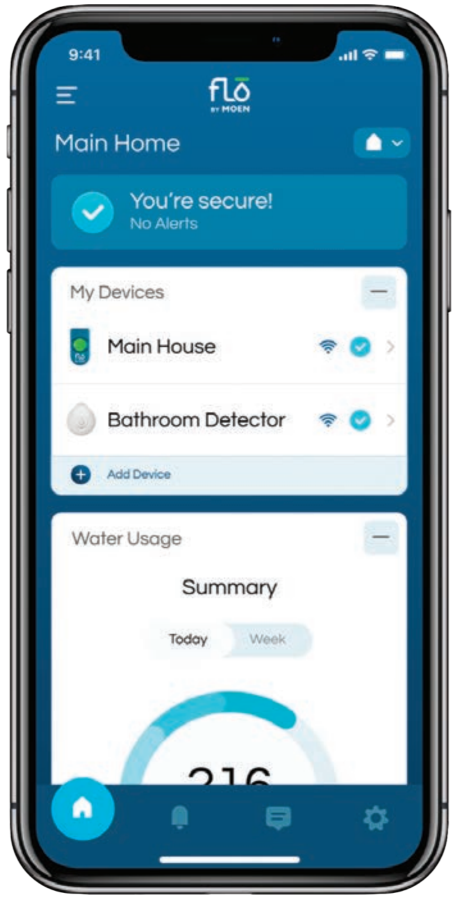
Flo by Moen™
Whole-Home Water Security

The best way to avoid water damage is to prevent it. Backed by years of product development and industry-leading technology, the Smart Water Shutoff detects and stops leaks. From your toilet, shower or faucet, to the pipes in your foundation and behind your walls, the Smart Water Shutoff monitors all of them, so there's no surprises on your water bill or catastrophes when you come home from vacation.

works with Hey Google | JUST ASK alexa | Works with ring | Control4



flo BY MOEN

Smart Water Shutoff
Remote water shutoff from your phone and automatic water shutoff for protection even when you're offline.

Microleak™ Technology
Advanced sensors detect leaks as small as one drop of water per minute.

Proactive Protection
Daily health tests help keep your home leak-free and alert you when there's an issue.

Smart Water Detector
Standalone sensors that can be placed anywhere in a home to alert users if, when and where it detects moisture, temperature and humidity.

Savings
Save water and money while protecting your home and possessions from water damage.

Support
On-call experts to help you identify and troubleshoot detected leaks.

Contact your Moen sales representative or visit **moen.com/flo** for additional information.

Flo by Moen™
Whole-Home Water Security

The Smart Water Shutoff is a mainline water monitoring device for your home.

Flo by Moen includes built-in pressure, flow and temperature sensors and advanced cloud analytics. The Smart Water Shutoff learns a consumer's home; monitors water usage on a daily, weekly and monthly basis; identifies leaks or excess water usage; alerts the homeowner of any issues; and can automatically shut off the home's water to prevent water damage and protect the home.

0.75" Shutoff	900-001*
1.00" Shutoff	900-006*
1.25" Shutoff	900-002**

0.75" NPT Spacer Kit	930-001
0.75" CC Spacer Kit	930-002
1" NPT Spacer Kit	930-003
1" CC Spacer Kit	930-004
1.25" NPT Spacer Kit	930-005
1.25" CC Spacer Kit	930-006

Battery Back-Up Kit	920-001****
25' DC Ext. Cable	920-003
6' Leak Sensing Cable	920-006

If the Smart Water Detector senses the presence of water, freezing temperatures or high humidity, it will notify the homeowner through a push notification from the Flo by Moen App and can pair to the Smart Water Shutoff to automatically shut the water off to the whole house.

Smart Water Detector 1 pk	920-004****
Smart Water Detector 3 pk	920-005****

---

* Can be installed on lines up to 1-1/4"
** Can be installed on lines up to 1-1/2"
*** Comes with 48" detector extension cable for hard to reach areas.
**** Applicable laws and regulations require that these materials be shipped via ground transportation rather than air.

Garbage Disposals

WHAT'S GOING DOWN IN YOUR KITCHEN?

The Chef™ Series

Designed for those who love to get creative in their kitchen and need the strongest cleanup possible.

The Host™ Series

Designed for those who frequently cook for guests and need advanced cleanup power.

The Prep™ Series

Designed for those who slice, dice and peel as part of basic meal prep, and need a little more help with cleanup.

The Lite™ Series

Designed for those who rarely cook from scratch and just want cleanup to be simple.

Garbage Disposals

CLEARS FOOD SCRAPS THAT CAUSE ODOR

VORTEX™ motor
Grinds scraps into fine particles that easily wash away.

NEW
Exclusive 360° clean rinse
Eliminates odors.

EASIER INSTALLATION

Simple swap
Fits most existing assemblies including InSinkErator® brand.

Pre-installed power cord
Saves time and hassle — nothing extra to buy (removable for hardwire applications).

WORRY-FREE OPERATION

Built smarter, built safer
Rugged impeller design uses force and speed to break down food.

Septic safe
Safe to use with properly-sized septic tanks.

Moen's Limited Warranty with In-Home Service guarantees help is there when you need it.

If service is requested during the warranty period, Moen® will have a service agent repair or replace the disposal in your home at no charge. Our garbage disposal portfolio includes warranties that vary from 5 to 10 years.

Please see **moen.com/consumer-support/warranty** for complete product warranty information. Browse the full collection at **moen.com/garbage-disposals**

Universal Xpress Mount™ fits Moen and most existing 3-bolt mounting assemblies

Permanent magnet motor designed to help reduce jamming

SoundSHIELD™ designed to provide sound deadening insulation*

*SoundSHIELD™ available on select models

Continuous feed grinds as long as power is on

High-speed VORTEX POWER™ motor provides fast, powerful grinding

Pre-installed power cord is a savings over other models where cord must be purchased separately; cord removes easily for optional hardwiring

Batch Feed Stopper activates disposal for safer operation; no wall switch required (only for batch feed disposals)

Fast Track™ Installation,
- Simple Snap Tool quickly secures mounting assembly
- Easy Open Dishwasher Inlet. No additional tools required.

360 Clean Rinse design eliminates odors

Overhead-Mount Rainshower Showerhead
S1004

Now there's a shower to go with every body.

With expanded lines of tub fillers, body jets, rainshowers, handheld showers and the **U by Moen™** showering system, an at-home spa is right at your fingertips. Experience the ultimate in customization and transform any bathroom into a personalized escape, no matter the size and space.

There are numerous configurations for pairing products to create the perfect system for you. Combine a four-outlet U by Moen system with a showerhead, rainshower, handshower and body sprays, and bring the spa home. From soothing aching muscles to overindulging in self-care, there's a combination for every need.

Digital Showering

Once upon a time,

people turned a handle to start their shower.

That was before Moen® made it possible to start your shower with the sound of your voice or a tap on your smartphone. Smart home assistants, such as Amazon's Alexa, allow us to adjust lighting to fit our mood, play our favorite music and even order late-night pizza. So why not use the same technology to make an everyday shower amazing?

Compatible with Amazon Alexa, Apple HomeKit and Google Home, **U by Moen™** connects to your Wi-Fi for a customizable shower experience for your whole smart home portfolio. U by Moen remembers personalized settings by name and offers elegant finishes to fit harmoniously with any shower design. Make your shower work for you — all at the sound of your voice or the touch of an app.

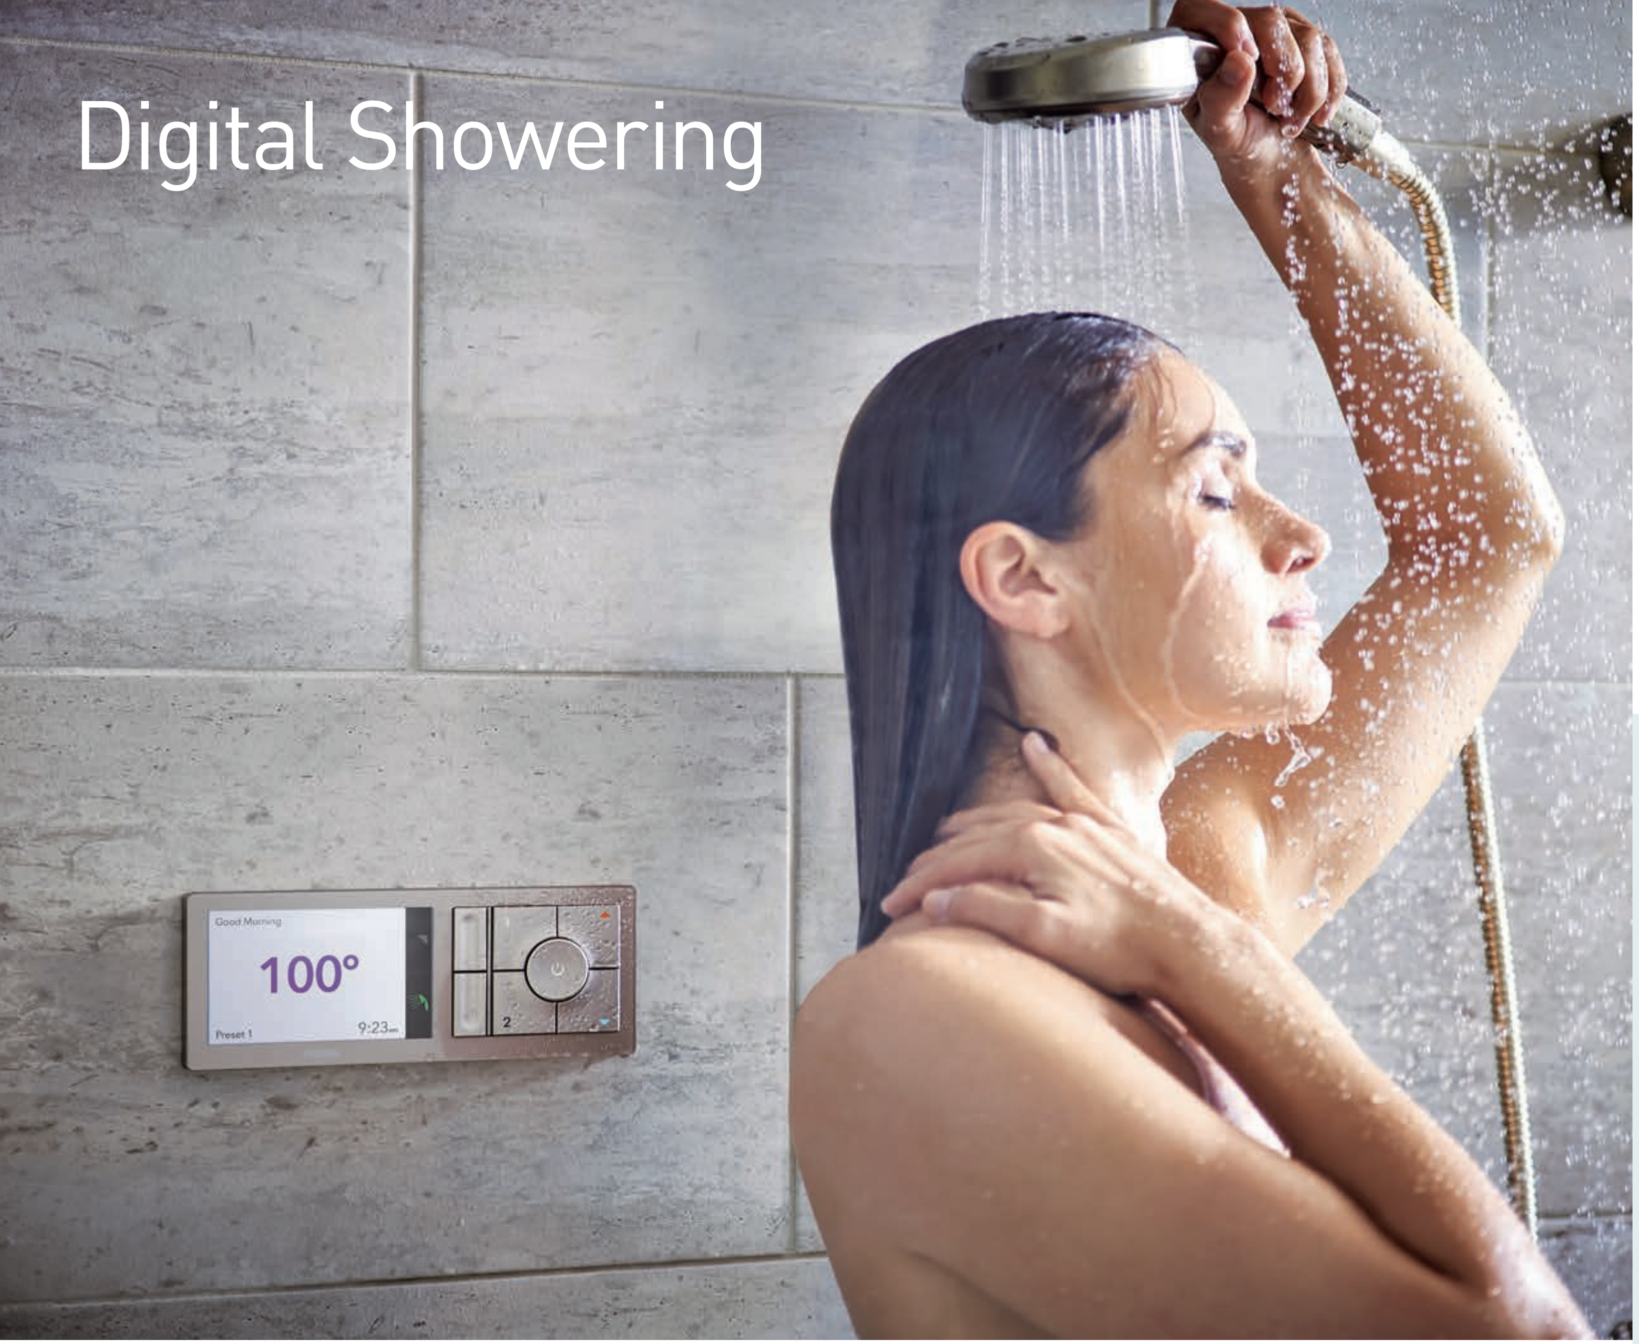
With U by Moen, the wave of the future starts with a shower designed just for you.

U BY MOEN™

- Personalized settings for every occasion
- Remote activation with Amazon Alexa, Apple HomeKit, Google Home and U by Moen smartphone apps
- Digital controller with LCD display
- Water-saving warm-up and pause setting
- Flexible installation with two- and four-outlet valves and controllers

WORKS WITH alexa
works with Hey Google
Works with Apple HomeKit

Digital Showering



Digital Showering for Every Space

U BY MOEN™

U by Moen™ with Two- and Four-Outlet Controllers and Valves

From cozy showers to spacious spas, **U by Moen™** combines luxuries such as body sprays and handshowers that turn a shower into an escape. Available with a two-outlet digital controller and valve for smaller spaces and a four-outlet digital controller and valve for larger spaces, make any shower you get in feel like getting away.

Two- and Four-Outlet Controllers

- Wi-Fi connected shower controller
- Easy-to-read 5-inch non-touch LCD screen
- Soft-touch buttons for each outlet and power, temperature and preset buttons
- Stylish Matte Black and Terra Beige finishes coordinate with any shower design
- Five-Year Limited Warranty

Two- and Four-Outlet Valves

- Thermostatic digital valve with precise temperature and outlet control
- Compact valve design and 30-foot data cable for flexibility in install locations
- Easy servicing with accessible filter screens
- Optional battery backup kit (179573) for continued operation during power outages
- Four-outlet valve uses ¾" inlets and ½" outlets; 16.0 gpm flow rate
- Two-outlet valve uses ½" inlets and ½" outlets; 10.3 gpm flow rate
- Five-Year Limited Warranty

Shower Spa

EXACTTEMP® ¾" THERMOSTATIC SHOWERING

Choose up to four showering products — rainshowers, handshowers or body sprays — in any combination you desire.

The **ExactTemp®** valve uses thermostatic technology for precise temperature control while delivering the high-volume capability to feed multiple showering devices. Its thermostatic cartridge automatically compensates for fluctuations in hot and cold water supply to ensure comfort and pinpoint temperature accuracy. There's no need to readjust temperature as your hot water tank begins to cool. In addition, the handle position sets maximum water temperature and temperature memory, so you can easily dial up the same experience day after day.

M-CORE™ TRANSFER VALVE TRIM

A Designer's Dream

Enjoy **M-CORE™**'s improved style options including perfectly matching transfer trim, and attention to details that reflects a desire for a dream bathroom. Not only does M-CORE allow for a wider array of trim selections, it also lets those going through the new construction or remodeling process take their time with selections as functionality and style choices can be made after the valve is plumbed.

With M-CORE transfer valves, consumers can choose from a wide range of options to flow showering devices in a single or shared mode.

- Offers independent or shared functionality
  2 Function/3 Function Valve: 2 independent or 3 independent
  3 Function/6 Function Valve: 2 independent, 1 shared or 3 independent, 3 shared
- Broad range of finishes and perfectly matched styles

Shower Spa

Annex™ Featured in Chrome

ANNEX™

With industrial-inspired sophistication, Moen's **Annex™** Shower Rail combines fashion and function, letting you enjoy both the showerhead and handshower of your choice.

Versatile Annex installs without disturbing existing tile or having to change the height of the showerhead, so you can easily add a handshower to your shower design.

With 2-½" adjustability between the shower rail and wall, Annex installs easily against any surface. In addition, it mounts directly to a flush wall or a wall with up to a 1" offset. The secure Annex mounting system meets ADA pull-force requirements, up to 250 lbs. Annex pairs with Moentrol® or Posi-Temp® valves and corresponding trims.

Coordinating Accessories

Danbury® Featured Brushed Nickel Finish

Six Ways to Complete Your Bath

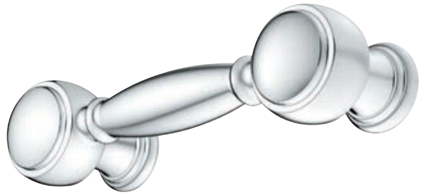
All of our bath accessory collections feature a towel ring, robe hook, 18" and 24" towel bars, and a paper holder. And there is so much more — hotel shelves, tank levers, mirrors and glass shelves are offered in many collections.

1

Double Curved Shower Rods

With the double curved shower rod, you can create up to 5½" of additional elbow room in the shower while providing visual appeal and adding extra hanging space. These innovative rods are available in several of today's most popular finishes and offer an additional rod to separate the decorative shower curtain from the shower liner.

2



Knobs and Pulls

With our distinctive collection of knobs and pulls, you can create a perfectly matched kitchen or bath, available in an array of styles and finishes.

3

Look for this icon to find products with pivoting innovation! P

Pivoting Paper Holders

Now there's no excuse to leave the bath tissue roll empty! Many Moen® paper holders feature an innovative, spring-free design that makes changing the roll quick and easy. Simply lift the arm, insert the new roll and set the arm back into place. The pivoting arm remains attached so there's no spring to lose and no extra parts to drop.

4

Decorative Hotel Shelves

Kingsley®, Eva® and Iso™ Decorative Hotel Shelves help create the high-end, coordinated styling of an upscale hotel while adding valuable storage space.

6

Grab Bars

Stylish grab bars like Voss™ bring safety and style to the bath in your choice of Chrome, Brushed Nickel, Oil Rubbed Bronze, Matte Black, and Brushed Gold finishes. Even better, SecureMount™ Anchors make installation possible anywhere on the wall, with or without studs.

5

Bathroom Lighting

Lighting fixtures are available in ten of the most popular Moen® bathroom collections. All of the styles can be mounted with globes facing either up or down.

In addition to high-end style, our lighting provides installation benefits. The Quick-Connect Wiring System lets you pre-wire the light fixture to the junction box, meaning there is no need to hold the fixture up to the wall during the wiring process. Glazed sockets help ensure the socket rings install with ease. Additionally, the UL®-listed fixtures are backed by the Moen warranty and our industry-leading customer service.

SAVE TIME WITH THE

Pro-Fit® Installation System

The Moen® three-step Pro-Fit® Installation System is the simple, most innovative way to mount bath accessories. Installation is as easy as 1-2-3.

1. DRILL IT
The innovative template has a built-in level for accurate drilling of pilot holes for both 18" and 24" towel bars or paper holders.

2. SCREW IT
The single-screw mounting system creates a fast and solid installation.

3. CLICK IT
The locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.

DRILL IT

Use the installation mounting template with built-in level.

SCREW IT

Screw in fastener.

CLICK IT

Press on the post until it locks into place.

PRO-FIT
INSTALLATION SYSTEM

IT REALLY IS THAT SIMPLE!

Plus, we've eliminated the set screw. Designed with input from professional installers, the Pro-Fit Installation System was made for faster installation and fewer callbacks. And of course, there's the extra assurance of quality that comes with the Moen brand.

To view online installation videos, visit **moenpro.com**.

The Pro-Fit Installation System eliminates set screws for faster, easier mounting. There's even a template with a built-in level.

YB8081
Pro-Fit Installation Template

Kitchen Compliments

EXCEPTIONAL FAUCETS ARE ONLY THE BEGINNING

Who says Moen® towel bars are just for the bathroom? With several faucet-matching collections featuring both kitchen and bath fixture options — such as Weymouth®, 90°™, Waterhill® and more — we've made sure our accessories can also do double-duty in the kitchen.

Position a towel bar or towel ring beside the kitchen sink or on a kitchen island. Place a hook to hang potholders. Install a decorative shelf to house spices. And don't forget matching drawer knobs and pulls that help you carry the style throughout the workspace.

Kitchen Compliments is about creating a kitchen without compromise. Moen offers exceptional products that deliver all the style and functionality you need in a dream kitchen — now with the convenience of getting it all from one trusted brand. That means a guaranteed style compatibility, quality and satisfaction.

Make Every Bath a Safe Bath™

While bath safety is often only considered for older adults, it should be for all stages of life. From babies to boomers, Moen® offers a full range of products to make baths safe and stylish.

GRAB BARS

GRAB ON TO SAFETY

Moen's line of grab bars is designed to reduce the risk of falls in the tub or shower, while blending in seamlessly with varying styles of bathroom décor.

SHOWER SEATING

SITTING PRETTY

Moen seats, chairs and transfer benches make showering safer and more relaxing. Our products not only provide stability, but they also offer a host of convenient features that will make every shower more pleasant, safe and enjoyable.

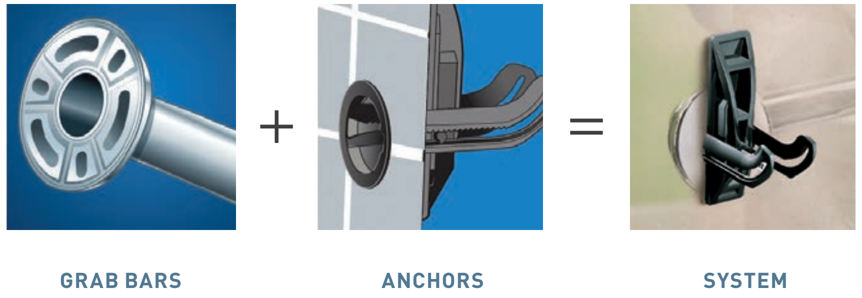
HANDHELD SHOWERS

PAUSE CONTROL

Water flow is reduced at the touch of a button with this handheld shower's innovative pause control feature. An easy-to-turn, oversized spray control offers shower, pulsating or massage sprays in addition to the water-saving pause feature.

SecureMount™ Grab Bars and SecureMount Anchors make it possible to quickly and easily install a grab bar with or without studs.

SECUREMOUNT™ SYSTEM



MOUNT SECURELY TO A VARIETY OF SUBSTRATES*:

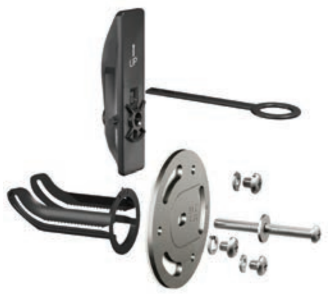
- 1/2" drywall
- 1/2" drywall with tile
- 1/2" drywall with marble
- 1/8" fiberglass tub surround
- 5/8" drywall
- 5/8" drywall with tile
- 5/8" drywall with marble
- 1/4" fiberglass tub surround

*Including multiple layers up to 1½" thick

There is a 300-pound weight capacity when securely installed into above substrates. Limited Lifetime Warranty. Independently tested by CSA and NAHB laboratories to exceed ADA, ASTM, ANSI and CSA standards.

EASY, SECURE INSTALL... ANYWHERE ON THE WALL™

1. **SECUREMOUNT GRAB BARS**
   The unique flange makes it easy to connect to the stud at multiple points, at any angle!
2. **SECUREMOUNT ANCHORS**
   Precision-engineered for optimal bracing behind the wall, SecureMount Anchors allow for easy grab bar installation — with no studs required — anywhere on the wall.
3. **SECUREMOUNT SYSTEM**
   The SecureMount System is the ultimate choice in easy, secure grab bar installation. Plus, it provides stylish designs and choices in finishes and features.



Finish Options

●
●
●

SMA1000
SecureMount Anchors

DID YOU KNOW that 16" grab bars can typically mount directly into studs because the standard stud size is 16" on center? 18", 24", 36" and 42" grab bars will often need an anchoring system when mounted into drywall, as an alternative to stud or wood-block installation.

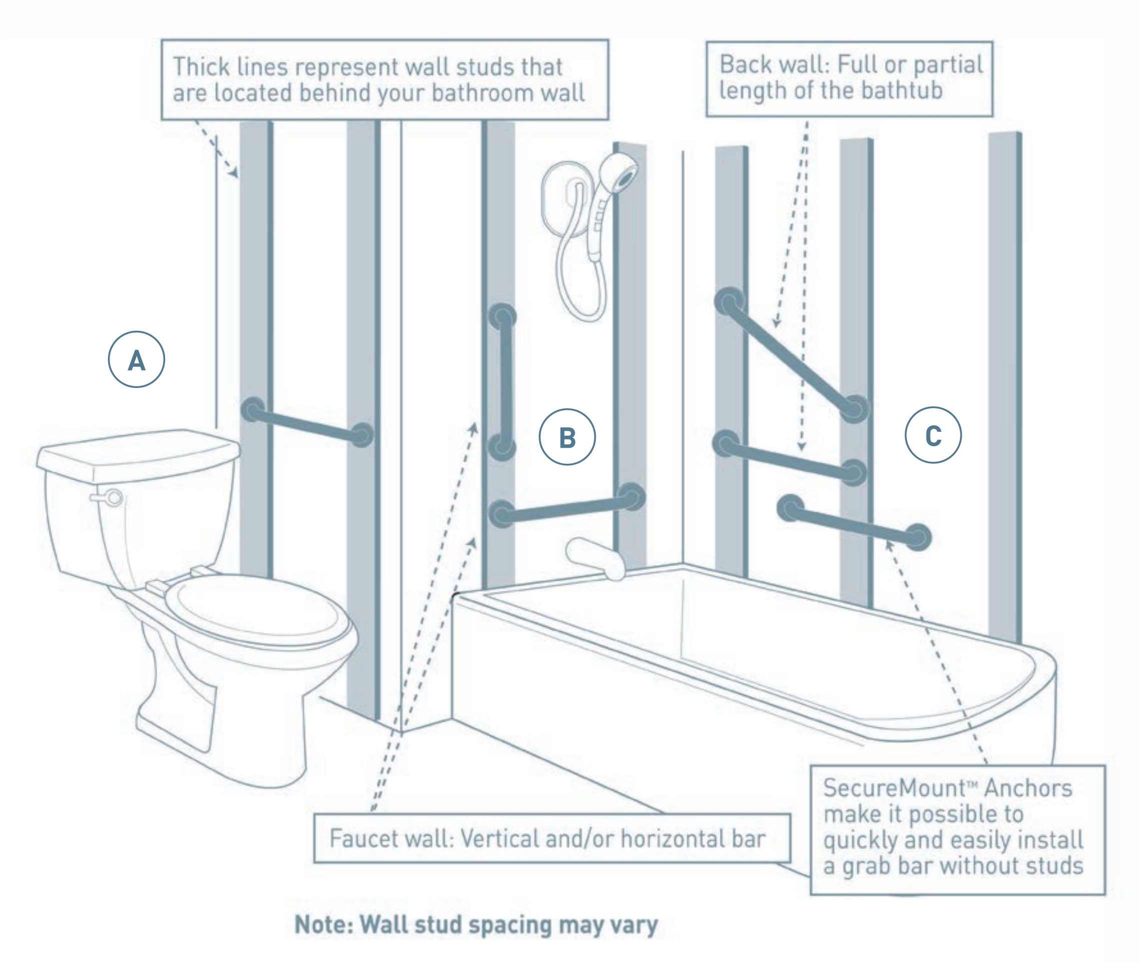
Bath Safety

Grab Bar Guide



Thick lines represent wall studs that are located behind your bathroom wall
Back wall: Full or partial length of the bathtub
A
B
C
Faucet wall: Vertical and/or horizontal bar
SecureMount™ Anchors make it possible to quickly and easily install a grab bar without studs
Note: Wall stud spacing may vary

HOW MANY GRAB BARS DO I NEED AND WHERE SHOULD THEY BE INSTALLED?

Health professionals typically recommend three grab bars in a bathroom:

- Ⓐ At least one near the toilet
- Ⓑ At least one along the showerhead wall or whichever end of the tub/shower you use to enter/exit
- Ⓒ At least one along the back wall in the bathtub or shower

WHO SHOULD USE GRAB BARS?

Everyone! People of all ages and abilities can benefit from using grab bars.

WHAT CAN A GRAB BAR DO?

- Reduce risk of falling in the tub or shower
- Help steady yourself while getting into and out of the bathtub or shower
- Assist in safely lowering and raising from a seated position

THINGS TO CONSIDER WHEN SELECTING A GRAB BAR(S):

- **Length:** Select a grab bar that is the suitable length for your bath or shower area.
- **Weight Capacity:** Choose a grab bar that at least meets ADA requirements (250 lbs.); SecureMount™ Grab Bars have a 500-pound weight-pull capacity that exceeds ADA requirements (when securely installed into studs).
- **Installation:** Grab bars that feature SecureMount have a design that allows for secure installation into a stud or wood backing at any angle. When using SecureMount Anchors, there is no need for installation into a stud or wood backing.
- **Grip Surface:** Consider a grab bar with a textured surface or grip feature that provides a better hold in a wet bathroom environment.
- **Finish:** Consider a grab bar that matches your faucet and other fixtures.

Choose the Right Moen® Shower Valve for Your Bathroom

How to choose the right valve

VALVE OPTIONS AT-A-GLANCE

	Thermostatic Valves			Pressure-Balancing Valves & Cartridge					Volume Control & Transfer Valves			
	U by Moen™ Shower 2-Outlet Valve**	U by Moen Shower 4-Outlet Valve**	ExactTemp® ¾" Thermostatic Valve***	M-CORE™ with Multi-Function Transfer Valve	M-CORE™ Mixing Valve Body	M-CORE™ Pressure-Balancing Volume Control Cartridge	NEW M-CORE™ Pressure-Balancing Temperature Control Cartridge	Posi-Temp® Pressure-Balancing Cycling Valve	ExactTemp Volume Control	M-CORE™ Transfer Valve	Nebia Retrofit onto existing plumbing. No need to go behind the wall.	Annex™ Without disturbing the existing wall, add on to existing shower
COMFORT FEATURES												
Personalization Create settings for every occasion — post workouts, lazy mornings and more.	●	●										
Temperature consistency Water temperature won't fluctuate even as the hot water in your tank gets low.	●	●	●									
Maximum-flow shower spa experience Provides the greatest balance of force, flow and coverage in a Moen shower spa.	●	●	●									
Shower spa compatible Add an extra showerhead or handshower or design a complete shower spa experience.	●	●	●	●	●			●	●	●	●	●
CONVENIENCE FEATURES												
Remote activation Sync your shower to your smartphone to start, stop and pause remotely.	●	●										
Precision thermostatic control Dial up the same water temperature every day, just like a thermostat.	●	●	●									
Voice activation Activate your shower with the sound of your voice.	●	●										
Volume control Lets you adjust the amount of water that flows through your tub/shower from a gentle stream to full force.			●			●			●			
Temperature memory Dial stays in the same temperature position you last used and returns to that temperature within a few seconds.			●			●						
Warm up and pause Save water by having the shower warm up to temperature and pause until you are ready to get in.	●	●										
SAFETY FEATURES												
Maximum temperature setting You can set the hottest temperature setting.	●	●	●			●	●	●	N/A	N/A	N/A	N/A
Meets applicable pressure-balancing or thermostatic safety codes	●	●	●			●	●	●	N/A	N/A	N/A	N/A
DEPENDABILITY FEATURES												
Limited Lifetime Warranty	●	●	●	●	●	●	●	●	●	●	●	●
Easy-to-replace cartridge	N/A	N/A	●	●	●	●	●	●	●	●	N/A	N/A

* Must be used with diverting valves 3372, 3362 or 3375 to obtain shower spa compatibility.

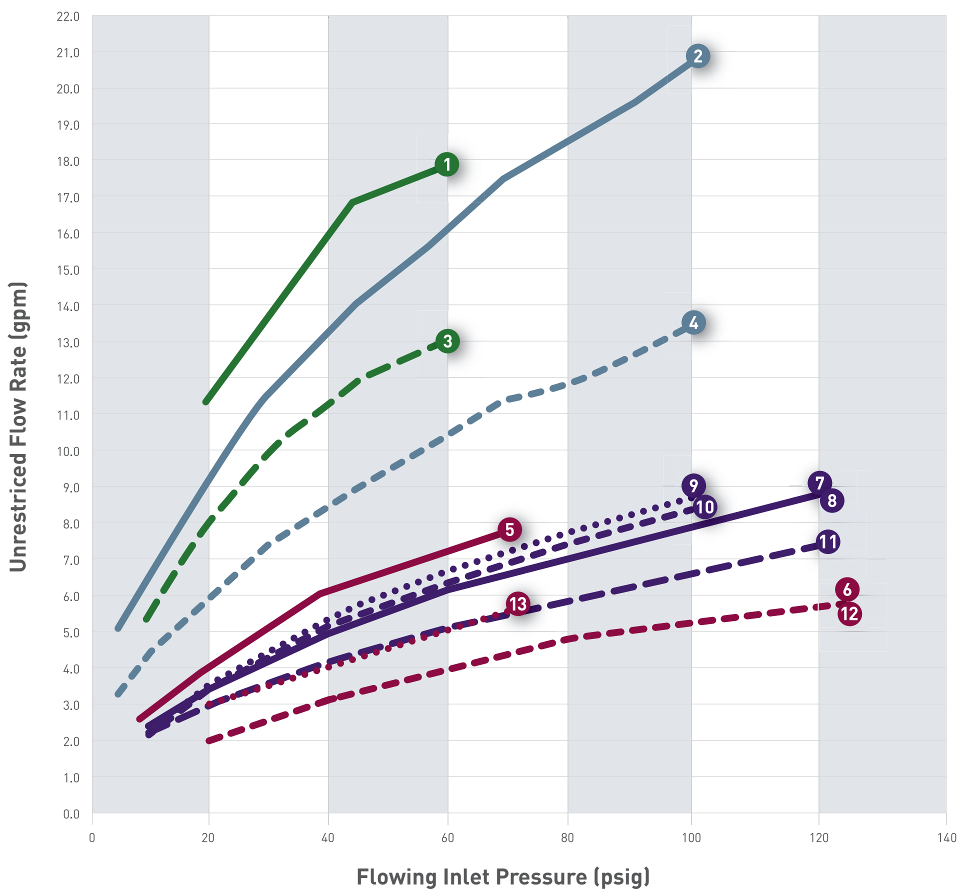
** U by Moen is warranted for 5 years against leaks, drips and operation defects to the original consumer purchaser; 1-year warranty if used in commercial applications. 5-year warranty on digital components, limited lifetime trim warranty.

*** Use with ExactTemp ¾" volume control valves.

Please see **moen.com/consumer-support/warranty** for complete product warranty information.

Shower Valve Rates

Flow Rate vs. Flowing Inlet Pressure of Moen Showering Valves (Unrestricted)



1. **¾" ExactTemp®**
   S3371 ¾" ExactTemp: 18.0 gpm
2. **U by Moen™ Shower – Four-Outlet**
   S3104 Four-Outlet: 16.0 gpm
3. **Volume Control**
   S3600 Volume Control: 13+ gpm
4. **U by Moen Shower – Two-Outlet**
   S3102 Two-Outlet: 10.3 gpm
5. **Posi-Temp® Tub Port**
   Four Port Valves
   Flow at Tub: 6.3 gpm
6. **Posi-Temp Shower Port**
   Three Port Valves
   Flow at Tub: 6.3 gpm
7. **M-CORE™ 3-Series Tub Port**
   Flow at Tub: 6.2 gpm
8. **M-CORE 3-Series Shower Port**
   Flow at Shower: 5.8 gpm
9. **M-CORE 2-Series Tub Port**
   Flow at Tub: 6.7 gpm
10. **M-CORE 2-Series Shower Port**
    Flow at Shower: 6.4 gpm
11. **M-CORE with Transfer**
    Two Outlets: 5.6 gpm
12. **Posi-Temp Shower Port 4-Port Valve**
    Flow at Shower: 4.0 gpm
13. **Posi-Temp with Integrated Transfer Valve**
    Two Outlets: 5.0 gpm

Shower Spa Installation Recommendations

Graph Line	Valve	Flow Rate through shower port (gpm) @ 20 PSI	Flow Rate through shower port (gpm) @ 40 PSI	Flow Rate through shower port (gpm) @ 60 PSI	Use with 2- or 3-function transfer	Maximum Components
1	¾" ExactTemp® S3371	11.4	15.7	18.0	No	4 components: Any combination of showerheads, handshowers and body sprays (4 max)
2	U by Moen™ Four-Outlet S3104	9.0	13.0	16.0	No	4 components: Any combination of showerheads, handshowers and body sprays (4 max)
4	U by Moen Two-Outlet S3102	6.0	8.5	10.0	No	Showerhead, handshower or showerhead, 2 body sprays
6	Posi-Temp® Three Port Valves	3.6	5.1	6.3	Yes	Showerhead, handshower or showerhead, 2 body sprays*
8	M-CORE™ 3-Series Shower Port	3.1	4.6	5.8	Yes	Showerhead, handshower or showerhead, 2 body sprays*
10	M-CORE 2-Series Shower Port	3.5	5.1	6.4	Yes	Showerhead, handshower or showerhead, 2 body sprays*
11	M-CORE with Transfer	3.0	4.5	5.6	No	Showerhead, handshower or showerhead, 2 body sprays*
12	Posi-Temp Shower Port Four Port Valves	2.1	3.2	4.0	Yes	Showerhead, handshower
13	Posi-Temp with Integrated Transfer Valves	3.0	4.0	5.0	Yes	Showerhead, handshower

* Min 50 psi recommended when plumbing a showerhead and 2 body sprays for shared flow.
