FEATURED INNOVATION

Pro-Fit® Installation Template
YB8081

The Pro-Fit Installation System is a single-screw mounting system that uses a pre-attached hollow wall anchor for a fast and solid installation. This eliminates the hassle of set screws with a simple locking tab that holds Pro-Fit posts firmly in place. Visit moenpro.com for installation videos.

Towel bar/paper holder and mounting posts must each be ordered to complete full product.

SecureMount Anchors and Plates

SecureMount System

The SecureMount System is the ultimate choice in easy, secure grab bar installation.

SecureMount Grab Bars

The unique flange makes it easy to connect to the stud at multiple points, at any angle.

SecureMount Anchors

Precision-engineered for optimal bracing behind the wall, SecureMount Anchors allow for easy grab bar installation—with no studs required—anywhere on the wall.

16" grab bars can typically mount directly into studs because the standard stud size is 16" on center. 18", 24", 36" and 42" grab bars will often need an anchoring system when mounted into drywall, as an alternative to stud or wood-block installation.

LifeShine® Finish

Faucets featuring our LifeShine finish will not tarnish, corrode or flake off. LifeShine finish not available on accessories or lighting.

Limited Lifetime Warranty

Most Moen faucets come with a Limited Lifetime Warranty against leaks, drips and finish defects. For complete details, call 1-800-BUY-MOEN or visit us at moen.com.

Pivoting Paper Holders

Many Moen paper holders feature an innovative, spring-free design that makes changing the roll quick and easy. Simply lift the arm, insert the roll and set the arm back into place. The pivoting arm remains attached so there's no spring to lose and no extra parts to drop.

Pro-Fit™

The Pro-Fit Installation System is a single-screw mounting system that uses a pre-attached hollow wall anchor for a fast and solid installation. This eliminates the hassle of set screws with a simple locking tab that holds Pro-Fit posts firmly in place. Visit moen.com/professional for installation videos.

SECUREMOUNT™

SecureMount™

SecureMount anchors allow for an easy grab bar installation with no studs required anywhere on the wall. This means you can place grab bars exactly where you want, resulting in a safe and stylish look in the bath.

Spot Resist® Finish

Spot Resist does just what it says—resists fingerprints and water spots. This innovative finish maintains the brilliance of your kitchen faucets to help you spend more time enjoying your home and less time cleaning it.
